Blame Canada!: South Park and Contemporary Culture Toni Johnson-Woods

Now running into its tenth season, South Park has still not "jumped the shark". Satirically edgier than The Simpsons, South Park responds immediately to cultural controversies: four days after Saddam Hussein's capture, an episode lampooned it, and the show has no fear in tackling subjects as divisive and outlandish as Terry Schiavo, The Passion of the Christ, Tom Cruise's alleged homosexuality, and Michael Jackson. Its mixture of iconoclasm, cultural referents, and intertextuality makes it the perfect lens through which to examine contemporary popular culture in America - and television's role in the creation of that culture.

Blame Canada! is a smart, readable book that will appeal to the show's many fans, placing the show in a tradition of fearless and often foul-mouthed satire dating back as far as Rabelais.

From reader reviews:

Louise Wax:

The book Blame Canada!: South Park and Contemporary Culture make you feel enjoy for your spare time. You can use to make your capable far more increase. Book can to become your best friend when you getting tension or having big problem along with your subject. If you can make reading a book Blame Canada!: South Park and Contemporary Culture being your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about a few or all subjects. You can know everything if you like start and read a e-book Blame Canada!: South Park and Contemporary Culture. Kinds of book are a lot of. It means that, science publication or encyclopedia or other individuals. So , how do you think about this book?

Jeffrey Smith:

Beside that Blame Canada!: South Park and Contemporary Culture in your phone, it can give you a way to get nearer to the new knowledge or facts. The information and the knowledge you might got here is fresh through the oven so don't end up being worry if you feel like an old people live in narrow community. It is good thing to have Blame Canada!: South Park and Contemporary Culture because this book offers for you readable information. Do you sometimes have book but you seldom get what it's about. Oh come on, that will happen if you have this in your hand. The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss this? Find this book and read it from right now!

Ollie Johnson:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Blame Canada!: South Park and Contemporary Culture can be the response, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

John Stevenson:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Blame Canada!: South Park and Contemporary Culture can make you sense more interested to read.
