The Little Free Library Book (Books in Action)

Margret Aldrich

The Little Free Library Book (Books in Action) Margret Aldrich

"The Little Free Library is a terrific example of placing books—poetry included—within reach of people in the course of their everyday lives. Free is always a good thing, and the project has a nice give-and-take feel to it. Here's hoping we bump into literature when we turn the next corner—before we have time to resist!"—Billy Collins

"Take a book. Return a book." In 2009, Todd Bol built the first Little Free Library as a memorial to his mom. Five years later, this simple idea to promote literacy and encourage community has become a movement. Little Free Libraries—freestanding front-yard book exchanges—now number twenty thousand in seventy countries. *The Little Free Library Book* tells the history of these charming libraries, gathers quirky and poignant firsthand stories from owners, provides a resource guide for how to best use your Little Free Library, and delights readers with color images of the most creative and inspired LFLs around.

Margret Aldrich is a freelance writer and editor. Her articles have appeared in the *Utne Reader*, *Experience Life!*, and elsewhere. She lives in Minneapolis, Minnesota, with her family.

From reader reviews:

Donna Moore:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of e-book you read, if you want send more knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining for example comic or novel. Typically the The Little Free Library Book (Books in Action) is kind of reserve which is giving the reader unstable experience.

Mildred Ralph:

People live in this new moment of lifestyle always attempt to and must have the extra time or they will get lot of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not really a huge robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative with spending your spare time, the actual book you have read is definitely The Little Free Library Book (Books in Action).

Christine Smith:

Your reading sixth sense will not betray you actually, why because this The Little Free Library Book (Books in Action) publication written by well-known writer who really knows well how to make book which might be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still doubt The Little Free Library Book (Books in Action) as good book not simply by the cover but also from the content. This is one guide that can break don't evaluate book by its protect, so do you still needing one more sixth sense to pick this specific!/? Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Frank Tye:

Many people spending their time period by playing outside having friends, fun activity using family or just watching TV the whole day. You can have new activity to enjoy your whole day by looking at a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smartphone. Like The Little Free Library Book (Books in Action) which is getting the e-book version. So , try out this book? Let's observe.
