"*The White House* is one of my most personal books ever. I took from a real-life situation and told a story that has been Detroit's secret for years. I'm bringing that to the forefront with my own twist. This venture with Infamous and Akashic feels right...It feels good. They are very in tune with my culture and style of writing which makes this a perfect situation for me."

The White House is based on true events, reimagining the dark chronicles of a notorious drug kingpin's death, and the unfortunate events that followed.

The young heroine Draya lives paycheck to paycheck, laboring as a maid in a luxurious white house. One day, in the course of performing her duties, she is presented with an irresistible opportunity for a quick--and risky--payday. What unfolds in the white house changes the course of her life. Kidnapping, murder, and mayhem lead her--and the reader--through a harrowing and twisting plot to an explosive ending that no one sees coming. Look through the eyes of this young woman and glimpse how a life can forever be altered due to an unfortunate series of events--all touched off in a legendary white house.

Infamous Books, curated by Albert "Prodigy" Johnson of the legendary hip-hop group Mobb Deep, is a revolutionary partnership that pairs the Infamous Records brand with Brooklyn-based independent publisher Akashic Books. Infamous Books' mission is to connect readers worldwide to crime fiction and street lit authors both familiar and new.
