Adventures in the Afterlife William Buhlman

Adventures in the Afterlife is a powerful journey of spiritual awakening; a bold quest for answers and enlightenment. The old assumptions of heaven are confronted and an expansive new vision of our continuing life is presented. After being diagnosed with cancer, William Buhlman, author of *Adventures Beyond the Body*, pursued answers to the mysteries of our existence after death. Confronting his mortality, he experienced profound insights into what lies beyond our physical body. Our journey into the next life is the basis for *Adventures in the Afterlife*. The author chronicles his out-of-body experiences and lucid dreams through the eyes of a fictional character, Frank Brooks. The insights are sometimes surprising, but a clear message is always apparent; we are powerful, spiritual beings and we shape our reality now and in the future. The purpose of this book is to prepare us for the many thought responsive environments we will experience. William Buhlman teaches and lectures worldwide on the subjects of out-of-body experiences and spiritual empowerment. Visit the author at astralinfo.org.
