Cat Daddy: What the World's Most Incurrigible Cat Taught Me About Life, Love, and Coming Clean
Jackson Galaxy

Cat behaviorist and star of Animal Planet's hit television show *My Cat from Hell*, Jackson Galaxy, a.k.a. "Cat Daddy," isn't what you might expect for a cat expert (as *The New York Times* noted, with his goatee and tattoos, he "looks like a Hells Angel"). Yet Galaxy's ability to connect with even the most troubled felines -- not to mention the stressed-out humans living in their wake -- is awe-inspiring. In this book, Galaxy tells the poignant story of his thirteen-year relationship with a petite gray-and-white short-haired cat named Benny, and gives singular advice for living with, caring for, and loving the feline in your home.

When Benny arrived in his life, Galaxy was a down-and-out rock musician with not too much more going on than a part-time job at an animal shelter and a drug problem. Benny's previous owner brought the cat to the shelter in a cardboard box to give him up. Benny had seen better days --- his pelvis had just been shattered by the wheels of a car -- and his owner insisted he'd been "unbondable" from day one. Nothing could have been further from the truth. An inspiring account of two broken beings who fixed each other, *Cat Daddy* is laced throughout with Galaxy's amazing "Cat Mojo" advice for understanding what cats need most from us humans in order to live happier, healthier lives.
