Happy Place Kelly Prindle

As a preschool teacher, Kelly Prindle, hears, daily, how much students miss their mommies, which is typically expressed before nap time. She found herself telling the kids to think of something happy to help them fall asleep. With this in mind, she wrote stories for preschoolers, about dogs finding their happy place, which isn't really a place at all. It's a feeling of contentment, when they are with those who love and care for them. "Happy Place" is colorful and heartwarming. Any dog lover will enjoy it, regardless of their age.
