How to Have Your Cake and Eat It, Too Mandi Ehman

How to Have Your Cake and Eat It, Too is for every mother who's ever wondered if it's possible to pursue her own passions while investing in her family and managing a home.

It's not easy, and there will be plenty of challenges and sacrifices along the way, but if you're willing to work hard, you can have the best of both worlds!

In How to Have Your Cake and Eat It, Too, Mandi Ehman shares her personal story of pursuing her passion while balancing a busy household, caring for four young daughters and homeschooling.

But more than her story, she also shares practical tips to help you maximize your time and energy so you really can have the best of both worlds.

It's a handbook to give you the tools to juggle your many responsibilities and to do it with intentionality rather than living under the burden of mommy guilt.

What others are saying:

"Really holding myself back from tweeting every. single. line. from [How to Have Your Cake and Eat It, Too]. If you're someone who's trying to pursue your passions while investing in family AND managing a home -- this book's for you." ~Aimée Wimbush-Bourque, SimpleBites.net

"[Mandi] doesn't sugar coat the work-at-home mom juggling act in her book. But as she shares her personal story in How to Have Your Cake & Eat It, Too, she gave me hope that there is a better way than what I've been doing. This e-book gave me some practical, time-saving tips to make a deliberate plan for a life that includes a happy family and a fulfilling work-at-home career."

~Christina Brown, NorthernCheapskate.com

"Amen, sister! That is my first reaction after reading and reviewing the new e-book by Mandi Ehman from Life...Your Way. Her e-book, How to Have Your Cake and Eat It, Too is an inspirational, encouraging, and realistic take on becoming a work at home mom. However, I feel that it is all those aspects for ANY mom or woman trying to maintain some sort of order in her life."

Precisely why? Because this How to Have Your Cake and Eat It, Too is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

Alice Prahl:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this How to Have Your Cake and Eat It, Too can make you truly feel more interested to read.
