Get ALL SIX COMPLETE STORIES in the Private Witch series in this discount bundle box set! The series features Witch Detective Pearl Styles, a private eye - and budding psychic - who has to balance her detective skills with her witch abilities, as she solves paranormal mysteries in the small town of Traralgon, Australia.

Private Witch: Book One: Espresso, Swamp Creatures , + Murder.

Pearl Styles is a reluctant witch. She wants her private eye business to stand on its own two feet, NOT to rely on her psychic powers. But when a body turns up at Traralgon Creek, Pearl has to reconsider. Who, in this small town can she trust to help her solve the case? Max the gruff owner of the local coffee shop, Aaron the leader of the local paranormal investigation club, or her fellow witch Alice who's desperate for Pearl to join the local coven?

When it seems as though the murderer might be after her and her sisters next, Pearl realises she might have to rely on her own instincts, and embrace her witch powers after all.

Private Witch: Book Two: Coffee, Cats, + A Cemetery.

Pearl Styles is a reluctant witch. She wants her private eye business to stand on its own two feet, NOT to rely on her psychic powers. But in this second part of the series, Pearl's resistance to witchcraft is REALLY tested when a body is found at the local cemetery.

Dealing with caffeine cravings, a new kitten at home, and a mystery that is not what it appears to be, Pearl teams up with local coffee shop owner and former cop Max to solve the case. When it looks like she and her new kitten might be in danger, Pearl has to use both her detective instincts and her psychic intuition to figure out what is really going on...

Private Witch: Book Three: Lattes, Black Panthers, + Poison.

Pearl Styles is a reluctant witch. She wants her private eye business to stand on its own two feet, NOT to rely on her psychic powers. But events in the small town of Traralgon always get in her way.

It's the last day of Summer, which means Pearl's last day of mere mortality. Determined to avoid the paranormal at all costs, she is challenged by both the appearance of the mythical Gippsland Panther, and a mysterious case she has to solve. When the most evil witch in Traralgon claims to have been poisoned, Pearl has to take on the case. It will take all her will power to avoid the paranormal on this fated day.

Book Four: Chai, Covens, + A Classic Case of Too Much Fun

In the fourth instalment of Private Witch, witch detective Pearl Styles is having the toughest day of her career - as both a witch AND a detective. It's the first day of Autumn and Pearl has to join the Traralgon witch's coven. But other events are getting in her way. There's not one, but two curses taking over the town, and Pearl has to get to the bottom of the mystery. Her life, and the life of every witch in Traralgon, is at
