A lightly comedic offering that sprinkles serious questions throughout, The Holy Buy Bull throws and lands several well-deserved jabs on the jaw of the most widely-distributed and widely-read book of all time. If you are willing to suspend your lifelong system of biblical beliefs during this read, you just might catch yourself smiling and even laughing out loud as you consider The Old Testament from an entertainingly different perspective. More than anything else, this literary offering was written to make you think above and beyond the religious dogma that has been dogging your consciousness long before you learned how to read. \*NOTE: "While a mind may be a terrible thing to waste - with an open mind is the way things should be faced!"
