The Little Red Chairs Edna O'Brien

A woman discovers that the foreigner she thinks will redeem her life is a notorious war criminal.

Vlad, a stranger from Eastern Europe masquerading as a healer, settles in a small Irish village where the locals fall under his spell. One woman, Fidelma McBride, becomes so enamored that she begs him for a child. All that world is shattered when Vlad is arrested, and his identity as a war criminal is revealed.

Fidelma, disgraced, flees to England and seeks work among the other migrants displaced by wars and persecution. But it is not until she confronts him-her nemesis-at the tribunal in The Hague, that her physical and emotional journey reaches its breathtaking climax.

THE LITTLE RED CHAIRS is a book about love, and the endless search for it. It is also a book about mankind's fascination with evil, and how long, how crooked, is the road towards Home.
