The Reason Why I Sing: A Book of Lyrical Songs E.A. James

This is the author's Book of Psalms (Songs). Just as the Bible's Psalms have been recorded without the music scores, whereby each individual singer (believer) can allow the music of their own salvation to "sing" the psalm within them, so too this Book of Songs allows each believer to create his or her own music, beat, and tempo to manifest one's own harmonious walk in the Spirit.
