Emergency Response Planning: For Corporate and Municipal Managers

Paul A. Erickson

Emergency Response Planning: For Corporate and Municipal Managers Paul A. Erickson

Emergencies wreak havoc on businesses and governments on a daily basis. Whether it is a hurricane pounding a coastal community, a terrorist attack on a company's headquarters, or a hazardous chemical spill at a local school, the results can be loss of life, health, and property. How can you prevent or reduce the effects of such occurrences? By planning ahead.

Emergency Response Planning is designed to help corporate and municipal managers quickly understand their roles in proactive and reactive emergency management. Author Paul Erickson shows how to develop partnerships with federal, state, and local government agencies, as well as community groups in order to prevent, prepare for, and respond to natural disasters and manmade emergencies.

Emergency Response Planning provides essential information to help you comply with government regulations, design an emergency response plan, train personnel, use the proper safety equipment, safeguard information systems, and resume normal operations after an emergency as quickly as possible. It will also help consultants design emergency response plans for their clients, and provide practical information for students studying business continuity and emergency issues.

Is an important resource for:

- * Corporate and municipal managers involved in emergency management
- * Organizational safety committee members
- * Industrial health and safety consultants and their clients
- * Graduate and undergraduate students studying emergency response issues
- * Outlines both proactive and reactive strategies to reduce risk to human life, health, and property
- * Describes how to form effective partnerships with government agencies and community support resources
- * Defines the roles of corporate and municipal managers, planning team members, and response personnel
- * Explains regulations and guidelines from key agencies including OSHA, EPA, FEMA, CDC, US Fire Administration, and more
- * Makes information easy to understand with dozens of tables, illustrations, and appendices

Linda Thomas:

Your reading 6th sense will not betray an individual, why because this Emergency Response Planning: For Corporate and Municipal Managers book written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still uncertainty Emergency Response Planning: For Corporate and Municipal Managers as good book not just by the cover but also by the content. This is one reserve that can break don't judge book by its protect, so do you still needing one more sixth sense to pick this specific!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

April Baker:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Emergency Response Planning: For Corporate and Municipal Managers can make you feel more interested to read.
