How to Drink and Not Look Like an Idiot Emily Miles

A practical guide to help you differentiate between quality booze and cheap rubbish, helping you to see alcohol as more than just a tool to get you drunk. Friday night at the bar in town: revellers swig beer, slam shots, and repeat until failure. Happy hour turns into kebab o'clock, then everyone staggers home, job done. We've most of us been there (and had fun doing it), but there comes a time when you want to graduate from downing cheap booze in sticky venues to something a little more sophisticated. And, as the flood of new artisan alcohols and serious bars we're currently enjoying attest, refinement is enjoying a resurgence - which means there has never been a better time to know how to drink and not look like an idiot. The pursuit of quality over quantity is at the heart of drinking well - and it's easier than you think. The following chapters will provide the tips, tricks, and tools to ensure you know what you're doing whether you're in a high-end restaurant or navigating a cocktail menu at your local bar. So if you want to know how to match wine with your evening meal, why you should sip a single malt rather than slam it, how to prepare for an all-day drinking event, or how to build a home liquor cabinet, then read on.

William Wright:

Are you kind of busy person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your limited time to read it because all of this time you only find guide that need more time to be study. How to Drink and Not Look Like an Idiot can be your answer since it can be read by anyone who have those short extra time problems.

Tom Tucker:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this How to Drink and Not Look Like an Idiot can make you feel more interested to read.
