Strange Luck Amie Irene Winters

A mysterious letter. An idyllic world. And a peculiar collection of antiques. It all waits to be discovered in *Strange Luck*, an imaginative novel that mixes fantasy and mystery for a thrilling reading experience. Hopeful that her father can be saved from a chronic condition, seventeen-year-old Daisy sets out to find a cure, but accidentally lands in a wicked world called *The Nameless*. As Daisy explores the moaning caverns and encounters people who refuse to go above ground, it becomes clear that the world's inhabitants are more than just strange. They may be keeping a dark secret. They may have been lured and trapped here for a reason. And somehow--impossible as it may seem--they may still have a chance to regain what has been taken from them.

A daring adventure complimented with vivid imagery, *Strange Luck* will delight adults, teens, and anyone who can't resist an imaginative escapade.
