Eternal Flame

Cynthia Eden invites you into the world of the Others--supernatural creatures who are sexy, powerful, and more than human in every way. . .

No one that deadly should look that good. Hybrid demon Zane Wynter specializes in tracking the most lethal criminals, whether human or Other. But Jana Carter is nothing like his previous targets. She's an Ignitor, able to conjure and control fire. She's also sexy beyond belief--and used to playing dirty. . .

Jana knows she's being set up. She even knows who's responsible: Project Perseus, a secretive group that plans to rid the world of paranormals by any means necessary. From Louisiana's sultry swamps to its desolate cemeteries, Jana and Zane must race to destroy the mastermind behind Perseus before their world goes up in flames--and with it, a desire that burns too hot to resist. . .

Eternal Hunter

Cynthia Eden delves into the dark realms of the Others, where desires and dangerous games await the unsuspecting in Baton Rouge, Louisiana. . .

Assistant DA Erin Jerome has a secret. Make that two. One: She's not entirely human--she's Other, desperately trying to keep her supernatural strength under wraps. Two: she's got a killer stalking her--an Other rogue set on "gifting" her bloody corpses, not to mention nights lying awake in terror. Small wonder she's been having bad luck with men.

But the bounty hunter on her new case isn't worried about any of that. Jude Donovan is a shapeshifter himself, and the new DA's midnight hair and addictive scent tell him all he thinks he needs to know: She's gorgeous, she's definitely not human, and she's bringing out the animal in him in a really good way. He might have to track a psychotic Other stalker through half of Louisiana. But he might also get the chance to watch Erin's wild side come out and play. . .

"A fast-paced, sexy thrill ride you won't want to miss." --Christine Feehan

"It hooked me from the first page." --Christine Feehan

I'll Be Slaying You

Cynthia Eden returns to the realm of the Other, where the supernatural bounty hunters of Night Watch work hard and play harder. . .

Sandra "Dee" Daniels is a vampire's worst nightmare. Sure, she couldn't get up to five-six in the highest

heels money can buy--not that she ever wears heels. But the monsters in her past and the stake in her boot are enough to keep most bloodsuckers interested in staying undead out of Baton Rouge.

But there are changes afoot on her turf. Rumors of a Born Master in town--a vampire so powerful he can make the streets run with blood. And a new face in Dee's dive bars and alleyways--Simon Chase, a strong, sexy shadow with a haunted past of his own. Simon knows a lot about the dark side of Dee's work. He knows even more about how to make her body spark with desire. But the hot lust shimmering between them is only the beginning. Because Simon also knows a secret that will change Dee's life--if she can live long enough to uncover it.
