## More Than Words: Bestselling authors & Real-life heroines

Each year, the Harlequin More Than Words award is given to three women who have worked hard to change people's lives for the better. Inspired by their accomplishments, three bestselling authors have written stories to honor these real-life heroines.

In *Light This Candle*, Major Mitch McConnell has arrived home after serving overseas for nearly two years. Now he can finally give his condolences to Cassidy Frazier, whose husband died under his command. But when he tracks down the single mother, he finds out that Cassidy is about to be evicted and her son, Cody, is in the hospital.

At first, Cassidy tells Mitch she doesn't want his help. The military wasn't there for her when it mattered most, so she certainly doesn't need them now. But Mitch is more than a soldier: he's a caring, gentle man who's determined to ease Cassidy's burdens. And if she lets him into her family, perhaps she can give Mitch something worth fighting for...

Look for all three ebooks inspired by real-life heroines: *Good Neighbors* by Sheila Roberts, *Just Joe* by Carla Cassidy and *Light This Candle* by Cindy Dees.
