The book shares the intimate and inspiring stories of people in recovery from addiction who have exposed their secrets to light and are fighting to erase stigma and discrimination. In exclusive interviews, celebrities, politicians, recovery leaders and advocates tell their personal stories in brutally honest and breathtaking detail, as they confront the paradox of anonymity and reveal the hope and power of recovery.

"Greg Williams' powerful documentary, *The Anonymous People*, helped change the public's view of the world of people in recovery and those who love them, opening the doors to a new understanding of the usually-hidden process of saving yourself from addiction.
