‘This is a close companion to Frantic Assembly’s practice and one that is written with an open and engaging, even disarming, tone ... A rich, rewarding and compelling text.’

Stuart Andrews, University of Surrey

As Frantic Assembly move into their twentieth year of producing innovative and adventurous theatre, this new edition of their well-loved book demystifies the process of devising theatre in an unusually candid way. Artistic directors Scott Graham and Steven Hoggett offer an intimate and invaluable insight into their evolution and success, in the hope that sharing their experiences of devising theatre will encourage and inspire students and fellow practitioners.
