## Entice (Need) Carrie Jones

Zara and Nick are soul mates, meant to be together forever. But that's not exactly how things have worked out. Nick is dead-supposedly taken to some mythic place for warriors called Valhalla, where Zara and her friends might be able to get him back. Bedford needs its warriors more than ever, since a group of evil pixies is devastating the place. But even if Zara and her friends can reach Valhalla, there's that other small problem: Zara's been pixie kissed. Will Nick even want to return with her? Especially since she's not just any pixie . . . She's Astley's queen.
