Auger wants to do right, but can't seem to stay on track when the only life he's ever known has been in the boxing ring. Every time he thinks he's broken away from the violence and gambling, something happens to drive him back to the brutal world of underground fighting.

Billionaire Winsor Cooke has been looking for the right opportunity to leverage his wealth into something even more impressive, but can't resist Callie's curves and the chance to tempt Auger back into the fights to make even more money.

When the three of them come together, the results are explosive. They are destined to be together, if they can stop fighting long enough to give in to what their hearts know is right!
