## Lesbian Vampire Romance

Ava Kern knows there's something about Della LaCroix that just isn't right. The woman apparently hates Ava on sight, but Della is an intriguing mystery to Ava. Determined to get to the bottom of the mystery, Ava agrees to help Della. Della needs help fundraising for her charity and dreads having to work with Ava but knows she's the best person for the job. Della sees Ava as a threat to her self-imposed abstinence; a secret that she won't even allow herself to remember hides deep in her memory, forcing celibacy on the vampire. Ava suspects Della is a vampire but is afraid of pushing too hard, wanting to form a bond with the woman, despite a life of easy, free love.

Working together forces the women to build a bond and Ava starts to break through Della's walls. Then tragedy strikes and decisions must be made. Della may have to pay the ultimate price, once again, for allowing herself to love, but this time, this time she knows she'll do whatever it takes to stop a tragedy, even if that means revealing secrets better left in the dark of her own tormented soul.
