Little Ways To Say I Love You: Dozens of Simple Ways To Show Spouses, Lovers, Children, and Friends How Special They Are Marjabelle Young Stewart

How many times has your day been enhanced by one small, unnecessary gesture? A romantic-and unexpected-note from a lover or spouse. A single flower from a long-out-of-touch sister. A funny cartoon or a basket of just-picked summer fruits sent for no reason but to brighten your day. Such things aren't earth-shattering, but the pleasure we get from them as either receiver of giver, often far outweighs the size of the gesture itself.

Little Ways to Say "I Love You" is a compendium of suggestions and ideas-from the sweet to the sexy, the simple to the sublimely fantastic-to help you show love to all the people in your life: husbands and wives, lovers and friends, moms, dads, and even kids. It's filled with imaginative ways to rekindle a romance, get back in touch with your kids and family, and stay close to those friends who were so hard to find.
