Sexually curious adults can learn how to enjoy bedroom bondage in an easy step-by-step fashion while still being tasteful, playful, and authentic

Rope bondage is not just about tying someone up; it is an opportunity for sensuality, creativity, playfulness, connection, and passion. Bondage artist and educator Lee Harrington takes you on a journey through easy step-by-step ties and exercises for bringing you and your partner closer together through this beautiful art form. The second book in the Shibari You Can Use series, *More Shibari You Can Use* picks up where the first book left off, with all new ties in a playful, down-to-earth, and engaging voice. But it's about more than the bondage. This time you also get a chance to connect more with your partner through a variety of exercises that explore touch, dominance and submission, intimacy, and trust. With beautifully shot images by RiggerJay, this guide offers intermediate techniques for those ready for a challenge, broken down into clear directions for new and experienced "riggers" alike. Find techniques for learning rope bondage negotiation, speed restraint (Texas handcuffs and speed-release corsets), intricate confinement (the reverse box tie and the woven head cage), beautiful erotic rope (from the Triskelion crotch rope to the floral chest harness), and much more. Are you ready to have fun? To deepen your connection with your partner? To create beautiful artwork woven on the human form? To add some spice to your erotic life? Now is your chance. Set aside your concerns about tying someone up, grab this book and some rope, and learn passionate rope bondage for an intimate connection.
