Pooh's Little Book of Feng Shui (Winnie-the-Pooh)

Pooh's Little Book of Feng Shui (Winnie-the-Pooh)

Feng shui, the 4,000-year-old Chinese art of living in harmony with one's environment, has come to the Hundred Acre Wood! Now Pooh and company put these traditions to use to bring even more perfect balance to life in the Forest. Tigger's bouncing welcomes the dragon's life breath into one's home, bringing opportunities and good fortune. Piglet's violets are carefully placed at the east and southeast sides of his house, thus ensuring good health. As for Pooh, good fortune comes in the form of a honey jar (a full one, if you please). And he knows that positioning the pot in just the right place will bring balance to--well, to Pooh!

A Most Harmonious reading experience indeed.

Illustrated by Ernest H. Shepard
