Blue's uncertainty is fed by a secret he's holding that contains traces of past encounters with a missing person case, his recreationally drugged father & three important women (none of which are Pink) that cast him in different gender roles. He's made a pact to open his mouth and share his secret with you before his 27th birthday.

When following Blue's thoughts in this alternate society and bearing his secret, you'll question your own in regards to gender norms, relationship ideologies, sex roles & the coming-of-age patterns that end up defining us in our 20s.
