Aliens and Underwater Worlds

Did you know there are over 400 underwater cities that we know of? This is baffling to the scientific community because modern science says advanced civilizations were not around until after the last ice age melt which was between 10,000 and 12,000 years ago.

Atlantis: Lost City - Fact or Fiction?

Are you fascinated by these advanced cities that were swallowed up? In this book we explore submerged structures and ancient civilizations that current archaeologists and geologists simply can't agree on.
