Moskva Jack Grimwood

***Moskva* is a brilliantly written, chilling and sophisticated début serial killer thriller set in Cold War Moscow. Makes *Kolymsky Heights* look like a walk in *Gorky Park*.**

- Christmas Eve 1985 -

The shaved, exsanguinated body of a young man is found in Red Square; frozen solid - like marble to the touch - missing the little finger from his right hand.

A week later, Alex Marston, the fifteen year old daughter of the British Ambassador disappears. Army Intelligence Officer, Tom Fox, posted to Moscow following the death of his own daughter, is asked to help find her. It's a shot at redemption.

But as Fox's investigation drags him deeper towards the dark heart of a Soviet establishment determined to protect its own so his fears grow, with those of the girl's father, for her safety. A flayed cat, hung by its hind legs from the ceiling of Fox's flat is just a warning.

And if Fox can't find Alex soon, it looks as if she could become a sadistic killer's next human victim . . .

Praise for Jack Grimwood:

'Grimwood is a damned fine writer' *Independent*

'The writing is elegant, the dialogue razor sharp, the characters drawn economically but effectively, and the action is unrelenting' *SciFi Now*

'Conjures up the city so vividly that you can almost touch the place' *SFX*

From reader reviews:

Joseph Asher:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great along with important the book Moskva. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Joe Dix:

Book is to be different per grade. Book for children till adult are different content. As we know that book is very important for us. The book Moskva was making you to know about other know-how and of course you can take more information. It is rather advantages for you. The e-book Moskva is not only giving you far more new information but also being your friend when you truly feel bored. You can spend your own personal spend time to read your guide. Try to make relationship with the book Moskva. You never really feel lose out for everything when you read some books.

Casey Timmons:

Reading a reserve can be one of a lot of exercise that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new facts. When you read a book you will get new information due to the fact book is one of various ways to share the information or even their idea. Second, reading through a book will make an individual more imaginative. When you examining a book especially fictional works book the author will bring you to definitely imagine the story how the people do it anything. Third, you may share your knowledge to some others. When you read this Moskva, it is possible to tells your family, friends and also soon about yours guide. Your knowledge can inspire different ones, make them reading a e-book.

Douglas Brownlee:

Do you have something that that suits you such as book? The guide lovers usually prefer to decide on book like comic, quick story and the biggest the first is novel. Now, why not trying Moskva that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the means for people to know world a great deal better then how they react towards the world. It can't be claimed constantly that reading addiction only for the geeky individual but for all of you who wants to be success person. So , for all of you who want to start reading as your good habit, you are able to pick Moskva become your starter.
