Robert M. Parker

Parker's Wine Bargains: The World's Best Wine Values Under \$25 Robert M. Parker

Yes, you can buy world-class wine on a budget. With *Parker's Wine Bargains*, America's most influential wine critic offers a guide to the world's best wines priced at \$25 or less.

Robert M. Parker, Jr., earned his international reputation and unprecedented influence as a dedicated consumer advocate -- if a wine isn't worth the money, he says so, regardless of the wine's pedigree. In Parker's *Wine Bargains*, for the first time he and his Wine Advocate team offer budget-minded wine buyers a handy guide to low-priced wines for both everyday drinking and special occasions.

Organized by country, the book lists more than 1,500 quality wine producers, as well as abbreviated tasting notes for more than 3,000 of the best value wines. The book includes significant contributions from Wine Advocate reviewers David Schildknecht, Antonio Galloni, Dr. Jay Miller, Mark Squires, and Neal Martin. Chapters include an overview of each country's wine-producing regions, highlight up-and-coming or underappreciated regions, and detail when wines can be consumed. Also featuring a vintage guide and lists such as "the best of the best," *Parker's Wine Bargains* is an accessible guide from the expert the *New York Times* deems "the critic who matters most."
