Regency Makeover Part I: The Bride Behind the Curtain (A Regency Makeover Novella) Darcie Wilde
Even wallflowers find a way to bloom...

They were dismissed as hopeless—girls too plain, too shy, too gauche to stand any chance in the ruthless competition of the London season. But Helene Fitzgerald, Madelene Valmeyer, and Adele Endicott have no intention of remaining wallflowers. Aided by the notorious novelist, Deborah Sewell, they form the Wallflower Pact and set out to find true love for themselves—and maybe even their chaperone.

The Bride Behind the Curtain

Adele Endicott has always been considered too plump and too awkward for the fashionable world. But the girl has a discerning eye for fashion, filling notebooks with designs for beautiful dresses. She also has an eye for the dashing son of French expatriates, James Beauclaire. With a little help from her friends, and a talented modiste's assistant, Adele's gowns take society by storm and she begins a secret flirtation with James, who finds himself torn between family loyalties and true love. But as all Adele's impossible dreams begin to come true, can she resist the temptations of a world suddenly throwing itself at her feet?
