The Apostle: A Life of Paul

John Pollock

The Apostle: A Life of Paul John Pollock

The drama of a novel meets scholarship in leading Christian biographer John Pollock's classic work about one of the most transforming persons in history: the apostle Paul.

The Apostle masterfully combines careful adherence to biblical text, detailed research, and a storyteller's gift to create a book equally relevant for both casual readers fascinated by Paul's life and serious biblical scholars. Pollock begins his fast-moving narrative with Stephen's death and follows Paul through his conversion, missionary journeys, and eventual execution. Many will enjoy it simply as a satisfying and insightful true-life story, although maps and a study guide allow for deeper exploration. *The Apostle* was originally published in 1969, and this new edition marks the first significant revision in many years.
