Christmas Wishes Debbie Macomber

Katherine O'Connor (known as K.O.) adores her five-year-old twin nieces -- and strongly objects to her sister's plans to dispense with Christmas. Zelda is following the theories of child psychologist Wynn Jeffries, author of *The Free Child* (and, as it happens, K.O.'s neighbor). K.O. is particularly horrified by his edict to "bury Santa under the sleigh," and she's out to prove that Wynn and his ideas are full of . . . snow. He's not going to ruin *her* nieces' Christmas! Too bad the guy's so darned attractive . . .

***Rainy Day Kisses* is a delightful romantic comedy at Christmas -- or any other time of the year!**

Seventeen years ago, Susannah Simmons was a career girl who knew nothing about babies. But after babysitting her infant niece, Michelle, Susannah learned that one determined -- and screaming -- baby can make the corporate world look like . . . child's play. Thank goodness for her charming neighbor Nate Townsend. Now he's her charming husband, and Susannah's a mother as well as an aunt. And every Christmas, Michelle tells her cousins how their mom met their dad -- a story in which she plays a starring role!
