In 2001, **Dr. Wayne Dyer** wrote a book called *10 Secrets for Success and Inner Peace*, based on the most important principles he wanted his children to live by. **Serena Dyer**, one of those children, has contemplated these ideas throughout her life. “Don’t die with your music still in you” has been the most important principle for Serena: to her, it means that you don’t allow yourself to live any life other than the one you were born to live.

In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad’s original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the “music” inside themselves.
