Kendra Tyler has big dreams, one of which includes becoming a professor of animal behavior. In order to accomplish her dream she needs to go to grad school, and in order to pay for school she needs a good part-time job. This she finds at the Bunny Club in Toronto. Her other dream is to marry the wonderful man she's dating. Cabe Alexander is rich and powerful and has her destiny in his hands. But another powerful man, Nicholas Marley is waiting on the sidelines to shake up her destiny, someone whom she least expected to throw a wrench into her plans. If Cabe finds out that she works as a cocktail waitress he could end their relationship. When her young nephew asks to adopt one of her lab rabbits as a Christmas present, Kendra knows that this more than anything else is what she wants to accomplish. But her apartment building doesn't allow pets and she and her sister who lives with her can't afford a place that does. So she must keep the high-paying Bunny job until she can make a down payment on a condo, and risk Cabe finding out what she really does for a living. As Christmas approaches and her secret is exposed, Kendra is betrayed by the man she trusted and finds help and love from a most unlikely source.
