Dominion

Welcome to Morgan Manor, a grand English country house. During the week, it's an upmarket corporate events center, but at weekends it shuts its doors to the public and becomes Dominion, an exclusive BDSM hotel.

Run by the formidable Marco Alessi, Dominion offers its members discretion, opulence and the best dungeons in the country.

The weekend events are legendary—from the more gentle Vanilla Spice, for those new or returning to BDSM, to the regular club nights, where guests can stay in the grandeur and comfort of a luxury hotel after a couple of seriously hot nights of debauchery and kink.

The Ultimatum by Katy Swann

Book One in the Dominion series

Once a submissive, always a submissive, right? Maybe she needs a little reminder.

Frankie Hamilton is stunned when her husband, Jake, gives her an ultimatum—either she goes with him to a country hotel for the weekend or he'll leave her. In an attempt to save her troubled marriage she agrees to go.

But Dominion is no ordinary hotel. During the week it's an upmarket conference center, but at weekends it becomes an exclusive BDSM hotel. This particular weekend it's Vanilla Spice, where those new or returning to BDSM can explore their fantasies in a safe and decadent environment.

When Jake asks her to submit one more time, Frankie is initially outraged. After all, it's been two years since their D/s dynamic ended and she's no longer a submissive. Is she? She still loves Jake and doesn't want to lose him so she agrees, even if it's just to prove that she's now as vanilla as the ice cream in their freezer.

But Frankie is soon reminded of how delicious it feels to kneel at her Master's feet. Her fondness for punishment and a good spanking leaves her begging for more. And when their old friend and owner of Dominion, Marco Alessi, offers to use her as the subject for a rope demo she's finally forced to face up to her kinky needs.

But that's not the only thing she has to come to terms with. Beneath her tough exterior lies a grief that has been buried for two years. As her submission starts to melt the icy core inside her heart, it sets off a chain of events and emotions that could either make her marriage stronger than ever or completely destroy it.

Outstanding Reader & Industry Reviews

This was a new to me author but, this will not be the last book I read of hers. It was well done and interesting. Kept me glued to my reader until the very end and then wanting more. I so hope there will be more.

About Katy Swann

Katy Swann is in her forties and lives near London, UK with her husband, three children and two cats.

Katy writes BDSM romance with an emphasis on D/s. She finds the D/s dynamic the most exciting and erotic aspect of BDSM although a good spanking or flogging comes a close second. Her books are first and foremost love stories with a large dose of D/s and kinky sex.

The Boundaries Trilogy (To Love and Submit, To Love and Trust & To Love and Obey) was published in December 2013 and was her first release. She is currently working on a new series of standalone BDSM romance novels called Dominion.

Coffee, chocolate and cats are her favourite things and are often close by when she sits down to write.
