Linc Monahan can't believe it. This wasn't supposed to happen. He's a werewolf, and shouldn't be able to father a child with a human. Now Linc has to find some way to tell Bennett that not only do werewolves exist, but she's about to have a baby with one.

But when word of their surprise conception gets out, the fur hits the fan. There are people who don't want this baby to be born—even if it means killing. Now Bennett and Linc aren't just fighting each other...they're fighting for their lives.
