*David Stafford*

## **Endgame, 1945: The Missing Final Chapter of World War II** David Stafford

To end a history of World War II at VE Day is to leave the tale half told. While the war may have seemed all but over by Hitler's final birthday (April 20), Stafford's chronicle of the three months that followed tells a different, and much richer, story.

ENDGAME, 1945 highlights the gripping personal stories of nine men and women, ranging from soldiers to POWs to war correspondents, who witnessed firsthand the Allied struggle to finish the terrible game at last. Through their ground-level movements, Stafford traces the elaborate web of events that led to the war's real resolution: the deaths of Hitler and Mussolini, the liberation of Buchenwald and Dachau, and the Allies' race with the Red Army to establish a victors' foothold in Europe, to name a few. From Hitler's April decision never to surrender to the start of the Potsdam Conference, Stafford brings an unprecedented focus to the war's "final chapter."

Narrative history at its most compelling, ENDGAME, 1945 is the riveting story of three turbulent months that truly shaped the modern world.

This unique book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the publication store hurriedly.

#### **Erica Clark:**

Do you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you just dont know the inside because don't evaluate book by its handle may doesn't work here is difficult job because you are afraid that the inside maybe not since fantastic as in the outside search likes. Maybe you answer is usually Endgame, 1945: The Missing Final Chapter of World War II why because the great cover that make you consider regarding the content will not disappoint you actually. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Ashley Davis:**

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.

Therefore this Endgame, 1945: The Missing Final Chapter of World War II can make you truly feel more interested to read.
