Governance, The State, Regulation and Industrial Relations (Routledge Explorations in Economic History)

Ian Clark

Governance, The State, Regulation and Industrial Relations (Routledge Explorations in Economic History) Ian Clark

This book examines the legacy of economic and political aims and objectives formulated by the British government during, and immediately after the second world war. It examines contemporary patterns of regulation by the state, and reform in the industrial relations system as factors of these historically embedded influences. This book makes an important contribution to the history and theory of British post-war economics.
