## Land of Mango Sunsets, The CD Dorothea Benton Frank

Dorothea Benton Frank is one of America's most insightful writers weaving highly addictive tales of the conundrums of life with hilarity and heat. Now, in *The Land of Mango Sunsets*, Frank gives us one woman's journey toward a hard-won truth—that life isn't always what it appears to be, and the sooner you realize that pride won't keep you warm at night, the happier you will be.

Meet Miriam Elizabeth Swanson, in a full-blown snit, buoyed by a fabulous cast who run the gamut from insufferable to wonderful. Miriam spins out from the revolving door of her postured life as a Manhattan quasi socialite while she thirsts, no, *starves* for recognition. How did she become what she hates the most and what does she endure to realize it? And where are the answers? It takes a few spins, dips and one spectacular fall until Miriam gets her head on straight. Then in a whoosh she's off to the enchanted and mysterious land of Sullivans Island, deep in the Lowcountry of South Carolina.

Told straight from the heart in her vivid, highly entertaining style, *The Land of Mango Sunsets* just might be Frank's finest work to date. If you plan to listen to this book, don't make plans to do anything else for a while.
