## **Mark: A Commentary on His Apology for the Cross, Chapters 9 - 16** Mr. Robert H. Gundry

This monumental work presents a careful, well-argued alternative reading of the Greek text of Mark-a reading that pays special attention to such literary devices as word order, chiasm, inclusio, asyndeton, and the historical present tense. Driving the commentary is Gundry's provocative, seldom-defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death; as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life. "Sure to become recognized as the heavyweight English commentary on the Gospel of Mark.... This massive commentary, rich with exegetical detail and critical assessment of the secondary literature, makes an important contribution not only to Markan research but also to the study of the historical Jesus." - Christian Scholars Review
