Piercing Ryu Murakami

A pulsating psycho-thriller from Ryu Murakami, author of *In the Miso Soup*

A renaissance man for the postmodern age, Ryu Murakami—a musician, filmmaker (*Tokyo Decadence*), TV personality, and award-winning author—has gained a cult following in the West. His first novel, *Almost Transparent Blue*, won Japan's most coveted literary prize and sold over a million copies, and his most recent psychosexual thriller, *In the Miso Soup*, gave readers a further taste of his incredibly agile imagination. In *Piercing*, Murakami, in his own unique style, explores themes of child abuse and what happens to the voiceless among us, weaving a disturbing, spare tale of two people who find each other and then are forced into hurting each other deeply because of the haunting specter of their own abuse as children.
