# Social Workers Affecting Social Policy: An International Perspective

## Social Workers Affecting Social Policy: An International Perspective

*Social Workers Affecting Social Policy* is the first book to undertake a cross-national study of social worker engagement in social-policy formulation processes. At its core, it asks how social workers influence social policy in various national settings. It offers insights into social worker involvement in policy change, the social work discourse, and education in different countries. It will be of interest to social work practitioners, students, educators, and researchers, as well as to social-policy scholars.
