Guardian Witch Book Four

*A dead body, black magic, and a vampire enforcer...*

Ari thought her biggest problem was deciding if she should move in with her vampire boyfriend, Andreas. That was before they found the dead body at the bottom of the Riverdale cliffs. And before she realized he'd been cursed by black magic.

Just as she begins the murder investigation, the vampire rulers in Europe send an enforcer to make inquiries into the recent defeat of the Toronto vampire prince. While Andreas has taken responsibility for the brutal dictator's death, there is much about the incident that he and Ari must keep to themselves—secrets the vampire elders would stop at nothing to learn.

With threats of retaliation hanging over their heads, Ari moves into Andreas's Victorian mansion—for safety's sake—while the enforcer begins a campaign of terror. Ari is caught between competing dangers and challenges: black magic, a ghost, a missing Native American artifact...not to mention a new roommate...all while trying to stay alive...
