**William Evans:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this By Barry L.
