Life shouldn't be about picking up the pieces. Beth Bradshaw has spent her life hiding from her tragic past. From the moment a trusted family friend steals her innocence until the moment another rescues her, she struggles to just survive. Surrounded by the comfort and protection of her extended family, Beth embarks on a journey of healing far from the horrors of her home. In her darkest moments, she meets a boy named Ryan. For one incredible summer, Ryan shows Beth what it's like to act her own age. To feel free and let go. If only for a while. Years later, another tragedy threatens to shatter the life Beth has carefully crafted. When faced, yet again, with more pieces to pick up, Beth begins to question what her choices have cost her. Leaving her old life behind, she sets forth on a pilgrimage that will bring her back to the boy she could never forget. He wants to help her pick up the pieces of her life, but is she willing to do what it takes to become whole again? Can she trust him with a piece of herself?
