THE HUMAN BODY: Amazing Facts, Awesome Interactive Trivia, Cool Pictures & Fun Quiz for Kids - The BEST Book Strategy That Helps Guide Children to Learn ... History of Our World (Did You Know 17) Matthew Harper

- **AWESOME FACTS ABOUT THE HUMAN BODY:** I have intentionally selected a specific range of facts that I feel will not only help children to learn new information but more importantly, remember it.
- **FUN LEARNING TOOL FOR ALL AGES:** This book is designed to capture the imagination of everyone through the use of "WoW" trivia, cool photos and memory recall quiz.
- **INTERACTIVE:** To engage and to help hold attention. Some sections require the reader to follow simple instructions in order to continue to the next level. My way of teaching attention to detail combined with coordination.
- **COOL & COLORFUL PICTURES:** Each page contains a quality image relating to the subject in question. This helps the reader to match and recall the content.
- **SHORT QUIZ GAME - POSITIVE REINFORCEMENT:** No matter what the score is, everyone's a WINNER! The purpose of the short quiz at the end is to help check understanding, to cement the information and to provide a positive conclusion, regardless of the outcome.

Your search for the best book on "The Human Body" is finally over. When you purchase from me today, here are just some of the things you can look forward to.....

Amazing and extraordinary facts. This kind of trivia seems to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the "WoW" factor but for some reason my brain seems to store at least some of it for a later date.

A fun way of learning. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Kindle seems to work well, particularly with children.

A specific selection of those "WoW" facts combined with some pretty awesome pictures, if I say so myself! Words and images combined to stimulate the brain and absorb the reader using an interactive formula.

At the end there is a short "True or False" quiz to check memory recall. Don't worry though, it's a bit of fun but at the same time, it helps to check understanding. Remember, "Everyone's a Winner!"

Enjoy

Matt.
