Trend Following Analytics: Performance Proof for the World's Most Controversial & Successful Black Swan Trading Strategy Michael W. Covel

Michael W. Covel's comprehensive new reference delivers real numbers, charts, graphs, and performance histories that demonstrate trend following's value and is designed as a companion to Covel's other books on trend following. This one-stop data resource brings together powerful new performance reports and data straight from top hedge funds and investment firms that use trend following to earn consistently high long-term profits through both up and down markets--including when black swan events occur and markets crash. *Trend Following Analytics* provides statistical evidence of strong returns over long periods of time, based on hundreds of separate reports. Designed as a companion to Covel's international best sellers *Trend Following* and *Trend Commandments*, this reference brings together resources you might compile on your own--if you had the time to be a data researcher! Covel has done the onerous research work for you and presents it in a form that's easy to understand, digest, and use. If you are disillusioned by buy and hold, value investing, and index-based strategies, this resource will help you draw conclusions about the benefits of trend following trading.

The Enjoyable arrangement here cannot be questionable, such as treasuring beautiful island. So do you still want to miss it? Find this book and also read it from currently!

Cassandra Giron:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's internal or real

their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Trend Following Analytics: Performance Proof for the World's Most Controversial & Successful Black Swan Trading Strategy can make you experience more interested to read.
