Choppers (Drive. Ride. Fly.) Mike Seate

When a motorcycle has been built from the ground up, stripped of anything not needed for speed, power, and striking looks, and draped in rich colors and chrome, it has been transformed into a chopper. What was once considered an outlaw ride has now become a luxury item and a mainstream obsession. In "Choppers: Heavy Metal Art, author Mike Seate explores the many styles of choppers and bobbers and the builders behind them. The book is divided into several sections based on style or type of chopper, with each section devoted to the builders who follow a similar style and philosophy. Some builders are established names in their field, while others are up-and-comers rocking the chopper world with their far-out ideas and new spins on a classic style. Photographer Michael Lichter, who has photographed choppers for "Easyriders and several other magazines for nearly three decades, provides stunning studio images of the featured machines as well as portraits of their creators. Raked, lowered, and tricked out, Choppers: "Heavy Metal Art belongs to anyone who loves chopper style!

From reader reviews:

Mary Fleming:

What do you concentrate on book? It is just for students because they are still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book Choppers (Drive. Ride. Fly.). All type of book could you see on many methods. You can look for the internet options or other social media.

Justin Fernandez:

As people who live in typically the modest era should be revise about what going on or data even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know which one you should start with. This Choppers (Drive. Ride. Fly.) is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Heidi Garcia:

The reason why? Because this Choppers (Drive. Ride. Fly.) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret the item inside. Reading this book beside it was fantastic author who write the book in such awesome way makes the content within easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Rebecca Goza:

Beside this specific Choppers (Drive. Ride. Fly.) in your phone, it might give you a way to get more close to the new knowledge or data. The information and the knowledge you are going to got here is fresh from oven so don't always be worry if you feel like an outdated people live in narrow town. It is good thing to have Choppers (Drive. Ride. Fly.) because this book offers to you personally readable information. Do you oftentimes have book but you rarely get what it's facts concerning. Oh come on, that will not happen if you have this with your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the idea? Find this book and also read it from right now!
