Coming Out Under Fire: The History of Gay Men and Women in World War II Allan Berube

During World War II, as the United States called on its citizens to serve in unprecedented numbers, the presence of gay Americans in the armed forces increasingly conflicted with the expanding anti-homosexual policies and procedures of the military. In *Coming Out Under Fire*, Allan Berube examines in depth and detail these social and political confrontations?not as a story of how the military victimized homosexuals, but as a story of how a dynamic power relationship developed between gay citizens and their government, transforming them both.

Drawing on GIs' wartime letters, extensive interviews with gay veterans, and declassified military documents, Berube thoughtfully constructs a startling history of the two wars gay military men and women fought?one for America and another as homosexuals within the military.

Berube's book, the inspiration for the 1995 Peabody Award-winning documentary film of the same name, has become a classic since it was published in 1990, just three years prior to the controversial "don't ask, don't tell" policy. With a new foreword by historians John D'Emilio and Estelle B. Freedman, this book remains a valuable contribution to the history of World War II, as well as to the ongoing debate regarding the role of gays in the U.S. military.

From reader reviews:

Marie Gambino:

Exactly why? Because this Coming Out Under Fire: The History of Gay Men and Women in World War II is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Luke Palmieri:

This Coming Out Under Fire: The History of Gay Men and Women in World War II is great guide for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great arrange word or we can declare no rambling sentences within it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with lovely delivering sentences. Having Coming Out Under Fire: The History of Gay Men and Women in World War II in your hand like obtaining the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen second right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt which?

Angelica Adams:

Reading a book to get new life style in this season; every people loves to go through a book. When you read a book you can get a lot of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, in addition to soon. The Coming Out Under Fire: The History of Gay Men and Women in World War II will give you new experience in studying a book.

Norma Eberhart:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we

know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Coming Out Under Fire: The History of Gay Men and Women in World War II can make you feel more interested to read.
