Parachute Infantry: An American Paratrooper's Memoir of D-Day and the Fall of the Third Reich

David Kenyon Webster

David Kenyon Webster's memoir is a clear-eyed, emotionally charged chronicle of youth, camaraderie, and the chaos of war. Relying on his own letters home and recollections he penned just after his discharge, Webster gives a first hand account of life in *E Company, 101st Airborne Division*, crafting a memoir that resonates with the immediacy of a gripping novel. From the beaches of Normandy to the blood-dimmed battlefields of Holland, here are acts of courage and cowardice, moments of irritating boredom punctuated by moments of sheer terror, and pitched urban warfare. Offering a remarkable snapshot of what it was like to enter Germany in the last days of World War II, Webster presents a vivid, varied cast of young paratroopers from all walks of life, and unforgettable glimpses of enemy soldiers and hapless civilians caught up in the melee. *Parachute Infantry* is at once harsh and moving, boisterous and tragic, and stands today as an unsurpassed chronicle of war—how men fight it, survive it, and remember it.

From the Trade Paperback edition.

David Brouwer:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Parachute Infantry: An American Paratrooper's Memoir of D-Day and the Fall of the Third Reich can make you truly feel more interested to read.
