Taiwan and the Rise of China: Cross-Strait Relations in the Twenty-first Century (Challenges Facing Chinese Political Development)

Taiwan and the Rise of China: Cross-Strait Relations in the Twenty-first Century (Challenges Facing Chinese Political Development)

Coincided with China's economic reform and her rapid ascendance to a great power status, the relations between Taiwan and Chinese mainland since 1979 have also seen some encouraging development. However, the rapprochement is nothing but a smooth ride. Taiwan Strait has always been full of tensions and hostility since the communist took over the mainland over sixty years ago. The periodical tensions in the cross-Strait relations have from time to time threatened to derail the peace talks between the two sides, and poised to jeopardize the region's peace and stability.

This book studies the past, present and future relations across the Taiwan Strait and examines many important questions such as internal and external factors contributing to the Taiwan's shift in her mainland policy, impacts of Taiwan democratization on the cross-Strait relations, the development of Taiwanese identity and rise of Taiwanese nationalism, the possibility of expanding Taiwan's international space under the shadow of China, the prospect of reunification between Taiwan and China, and the roles of the third parties, such as U.S., NGOs and Taiwan businessmen, in the changing relationship between the two sides.

Taiwan and the Rise of China will certainly help readers, especially those who lack of historical perspective of the political division of the two political adversaries, to grasp the complexity and nature of the cross-Strait relations and faster a real understanding of the significance of this relationship to peace in the region as well as the world in the 21st century.

From reader reviews:

Jeffrey Haller:

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Taiwan and the Rise of China: Cross-Strait Relations in the Twenty-first Century (Challenges Facing Chinese Political Development) as your daily resource information.

John Carroll:

People live in this new time of lifestyle always attempt to and must have the time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have time, we will say absolutely yes. People is human not really a huge robot. Then we inquire again, what kind of activity do you have when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative in spending your spare time, often the book you have read is Taiwan and the Rise of China: Cross-Strait Relations in the Twenty-first Century (Challenges Facing Chinese Political Development).

Donald Bonilla:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Taiwan and the Rise of China: Cross-Strait Relations in the Twenty-first Century (Challenges Facing Chinese Political Development), you could enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

Mario Curtin:

Within this era which is the greater man or woman or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple strategy to have that. What you have to do is just spending your time not very much but quite enough to get a look at some books.
